Owing to the way we were treated  
about the coins - our offer  
made known to Dr Mari's  
and he let have them at a slight  
advance - we do not wish  
to be sold out again and will not  
<sup>make offers</sup>  
if you choose to bring the  
autographs to our office with  
a proper price upon them we  
will look at them but we are  
too busy to waste time ~~to go to look~~  
~~at the~~
